

DESKTOP PARALLAXER

Technical specifications

Banner size (px)		Image weight (GIF, JPG, PNG)	HTML weight
1920x1000	Desktop	200kB	350kB

Banner with parallax effect - keeps the banner in the background and in the fixed position while a user is scrolling up or down.

DESKTOP EXAMPLE [LINK](#) :

*** Important!**

The **100px header and bottom** should be used as a filler and contain no important information (logo, buttons, promotion period, alcohol warning text) as it may not be visible for users.
